EDUCATION

Cornell University, College of Engineering, Ithaca, NY *September 2024-Expected May 2028*
Bachelor of Science in Mechanical Engineering, Minor in Spanish, **GPA: 3.556**

Selected Coursework: System Dynamics • Fluids • Mechanics of Materials • Dynamics • Thermodynamics • Statics and Mechanics of Solids • Mechanical Design • Physics: Oscillations, Waves, Quantum • Physics: Electromagnetism

ACADEMIC EXPERIENCE

Mechanical Engineering Intern, *Meier Skis,* Denver CO *May-Aug 2026*
- Learned and applied ski manufacturing while designing, testing, and iterating methods that reduced production times by 57%
- Designed and fabricated 14 custom ski mounts and personalized tap handle using Fusion 360 software and CNC machining
- Created 5 custom ski graphics in Adobe Photoshop, collaborating with the design team to meet graphic production standards

Integration and Testing, *CUAir*, Cornell University *Sep 2024-Present*
- Collaborated with a team of peers to repeatedly analyze and improve the performance of a carbon-fiber student-built plane
- Organized and led wing-loading test, performed vibration and vertical/horizontal maiden testing to prepare for competition
- Developed camera tracker gimbal for competition videos, worked with electrical team for seamless integration and function
- Utilized SolidWorks and XFLR5 software to design wing and fuselage parts and conduct virtual testing and measurements

SPECIALIZED SKILLS

Technical: SolidWorks, MATLAB, Excel, Fusion 360, XFLR5, VCarve, Anaconda, Adobe Photoshop
Language: Spanish (fluent), Python (beginner)

PROFESSIONAL EXPERIENCE

Camp Counselor*, Onondaga Camp,* Minden, ON *Summers 2022-2025*
- Dedicated 13 hours/day to fostering lasting camper relationships through empathy, consistency, and inclusive mentorship
- Selected by directors to manage and maintain inventory/conditions of the driving range, gaining operations experience
- Chosen multiple times for senior leadership role in supervisor's absence; recognized for work ethic and positive attitude
- Earned certifications in lifesaving, standard first aid, high ropes training, mountain biking, and canoe instructing

Line Cook/Cashier (Part-Time), *Mustard's Last Stand*, Denver, CO *Jun-Aug 2026*
- Managed grill, fryer, prep line, and register simultaneously during high-volume rushes, prioritizing accuracy and efficiency
- Developed situational awareness and team coordination by anticipating and prepping for coworkers' next steps in real time
- Entrusted with opening and closing the restaurant, gaining early exposure to managerial responsibility and inventory tracking

Ski Instructor, *Windham Mountain Club*, Windham, NY *Winters 2019-2024*
- Fostered season-long connections with 4–6-year-old students through supportive advice, patience, and active engagement
- Designed and executed engaging drills to build foundational skills and foster confidence, teamwork, and joy for the sport
- Crafted progress reports on students' development and communicated growth, challenges, and next steps with their parents

COMMUNITY INVOLVEMENT

Co-Founder, *Community Food Scrap Program,* Mamaroneck, NY *Sep-May 2022-2024*
- Led a project designing and operationalizing a pilot to prove the viability and value of a local weekly food waste pick-up
- Diverted 13,000+ lbs. of waste into compost and successfully lobbied town officials to adopt project as a town-run service

Events and Development Chair, *Ski and Snowboard Club at Cornell,* Ithaca, NY *Sep 2025-Present*
- Recruited, trained, and mentored 20+ junior officers, preparing them for expanded leadership roles within the club
- Developed Excel systems tracking junior officer involvement and established assisting positions tailored to their skills
- Coordinated with 10+ campus organizations to host events, including ski trips, social gatherings, and e-board activities

ACTIVITIES and INTERESTS

Skiing • Chess • Listening to music • Spanish • Camping • Soccer • Weightlifting • Tennis • Lego • NFL (Bills) • Trivia
Soccer Referee, Baseball Umpire: Exercised authority, sound judgment, and decisiveness in high-pressure moments
